

October 30, 2009

**NORTH RUNWAY RE-OPENED
OCTOBER 30, 2009
PORTLAND INTERNATIONAL AIRPORT**

The north parallel runway, which has been closed since May 1, 2009 for rehabilitation, re-opened this afternoon.

This completes Phase 1 of the 3 phased improvements to primary runways at PDX. For more information regarding this project and other associated runway closures please contact our office.
